BEADED WRAPS!

We have had a nice trade on Beaded Wraps. Our prices have been satisfactory.

So when we had an offer from a New York Importer to close out a big line at 80 cents on the dollar of course we wired "yes." They are here, and we will offer them for sale Thursday, Friday and Saturday.

One lot as good as we have been selling at \$5.50, now \$4.50. Another lot, and a big one too—extra fine beads, and well covered on fine material, fully as good in every way as any \$5.50 or \$9 wraps in Wichita. We make the price on this lot of wraps for three days \$5.75 each.

Come and see this wrap, it is a stunner. All our regular stock of Beaded Wraps from \$7.60 to \$18 cut in price for this sale \$3 to \$6 each.

Not impossible. "Speak French? Well, I guess I do. Do you suppose I lived in Paris five years for nothing?" "I didn't know. Judging from the way you live with your wife's father here, I didn't know but what you did live in Paris five years for nothing."—Bazar.

What a fine thing it is to be a county sheriff. He can enjoy a sheriff's sale any day without costing him a cent.

A number of cash sales within the last month indicates the return of a better demand for Wichita real estate. It shows a degree of confidence in her growth and prosperity which cannot be expressed by words or logic. The prospect for an abundant crop, the development of our mercantile and packing interests, and the prompt of the early settlement of the Oklahoma country will undoubtedly create a better demand for city property. In view of this I am anxious to extend my list of property. Parties wishing to sell or exchange farm or city property at current rates are invited to call and leave price and terms. N. F. THE LATEST THING IN TOURIST SLEEPING CARS.

The Rock Island has inaugurated a new feature, which promises to create considerable interest in railway improvement. It being a free tourist car service, with nearly all the conveniences of the palace car, including colored porters in attendance, fine hair mattresses, pillows, blankets, soap, etc. When made up for the night the fourteen sections are partitioned off with sliding panels and curtained with heavy damask draperies. Tables, attachable to the sides of the interior, are provided for each section. The cars are heated by steam, the aisles carpeted, and cuspidors for the cleanliness of the cars are added. The duties of the porter accompanying each car service—to look after the wants of the passengers and see that the car is kept perfectly clean. In one end is the ladies' lavatory, and in the other one for gentlemen, which are as nicely appointed and furnished as the most luxurious world desire. The intention of the Chicago, Kansas & Nebraska is to furnish these cars free of charge to tourists and excursion parties when the number of persons is sufficiently large to justify the use of a car or cars. With such accommodations, and the security of a western tour without sleeping accommodations, nor is it necessary to make such a trip expensive. It is a great inducement for parties, clubs, or any considerable number of persons contemplating a trip to the Rocky Mountains, for instance. And too, the Denver & Rio Grande has adopted the same scheme, and as the Rock Island connects with this route in Colorado, the free tourist car system will no doubt be generally adopted by the roads for the pleasure and health-giving regions of our continent.—Kansas City Journal.

The Missouri Pacific railway is the great southwest system which connects the great commercial centers and rich farms of Missouri, the broad corn and wheat fields and thriving towns and cities of Kansas, the fertile river valleys and trade centers of Nebraska.
